HOPPING HIDE & SEEK

Lenny the Bad Luck Kangaroo likes to escape whenever he can, but he also loves to play!
One of his favorite games is hopping hide-and-seek.

DIRECTIONS

- Have an adult cut along the dotted lines, then curl the bottom strip into a circle and tape the ends so that Lenny can stand on his own.
- Takes turns, or have an adult hide Lenny somewhere inside the house.
- For a real challenge, searchers must hop as they look for hidden Lenny – see how quickly it takes to find him. Expert searchers must hop on one foot!
