

It is time to blast off from your home to  
a fun part of Earth with lots to explore!  
Land your rocket ship and follow the  
clues, adventure is out there!

I tweet and build my home,  
who am I and where would  
you find my house?

On me you can go pretty high but you  
have to keep moving those legs, what am  
I?

Straight down or around and around I go,  
what am I?

Whew is it hot out here or is it just me?  
Time to cool off where can you go?

Possibilities are endless in a library; it is  
truly out of this world! Find a book about  
space.

Batter Up! Find a book about a sport  
you play

Quick what time is it? Look for a clock!

We have plenty of time, so why not  
meet someone new? Find a book  
written about a person.

Do you ever wonder what Dinosaurs  
do? Find the stories that tell you!  
Count how many dinosaurs are in the  
book.

Bam! Wham! Look for a graphic novel

Take a break and find a magazine

Use a computer to search for a book

School time? No not yet but this  
magical bus is taking you for a ride,

We've had so much fun and found a lot,  
now pick out a favorite to check out.

Yawn stretch, lots to explore, find one  
last new book and head out the door.  
Follow the trail back to your rocket  
ship, look for your prize and blast off  
until next time.
